

### Create your own lesson:

- You will create a lesson demonstrating how your body system works and what organs/structures are involved with it. The lesson must include the following:

• Purpose • H.W.

• Do Now

• Mini Lesson

• Work/Share activity

• Checks for understanding

• Exit Question

- Your lesson should be 15-20 minutes long
- You will have 4-5 class periods to create your lesson

### Grading:

- Purpose \_\_\_\_\_/10
- H.W. \_\_\_\_\_/10
- Do Now \_\_\_\_\_/10
- Mini Lesson \_\_\_\_\_/10
- Work/Share (with open ended questions) \_\_\_\_\_/25
- Checks for Understanding \_\_\_\_\_/10
- Exit Question \_\_\_\_\_/10
- Presentation \_\_\_\_\_/15
